Green Pastures

The Lord often refers to his children as sheep. The Psalmist says that He makes us “lie down in green pastures.” A pasture is a feeding place and a grazing ground. There are many kinds of pastures in this world and we must be careful where and what we feed on.

1. Whose Pasture Are You In?

Hosea 13:6 According to their pasture, so were they filled. God is likening His people to a flock that wandered away from His pasture and made themselves a pasture of their own. They are away from the Good Shepherds care.

2. What Have You Been Feeding On?

The devils pastures are full of thorns, briars and thistles, and maybe some poisonous plants. The devil will feed you his lies.

3. What Are You Filled With?

We are what we eat. Satan knows to make the grass a little greener on the other side of the fence, in order to entice us away and deceive us. His pasture will cause us to become sickly.
